

Cougar  *Brand*

YOUR TRUSTED PARTNER FOR
INDUSTRIAL COATINGS AND SOLVENTS

RANGE OF PRODUCTS

PROFESSIONAL SERIES CUSTOMIZED COLOUR PAINTS (GLOSSY & MATT)

- RAL, BS & Pantone standard colours available
- Faster drying time
- Suitable for industrial & decorative uses
- Good coverage & ease of application
- Smooth and attractive finish

ROAD LINE PAINTS

- Good hardness & wear resistance
- Fast drying time
- Excellent weathering resistance
- Good adhesion on bitumen & concrete substrates
- Uniform matt finish

SIGNATURE SERIES ALKYD ENAMEL PAINTS(GLOSSY & MATT)

- Suitable for industrial & decorative uses
- Good coverage & ease of application
- Good glossy & matt finish

RED OXIDE PRIMERS

- Economical primer
- Fast drying time
- Ease of application
- Good adhesion on ferrous metal substrates
- Good corrosion resistance

METALLIC & COLD GALVANIZED PAINTS

- Good lustre and brightness
- Fast drying time
- Ease of application
- Good adhesion on most ferrous metal and non ferrous metal substrates

Loh and Sons Paint Co (S) Pte Ltd has over 25 years of history in the coatings business and we support the construction and marine industries with cost effective paints, primers and solvent products through our flagship Cougar Brand. Through the years we have successfully transformed ourselves from a backyard manufacturer to a leading solutions provider for industrial paints and thinners.

BITUMINOUS COMPOUNDS & PRIMERS

- Specifically designed for sealing cracks
- Provides excellent corrosion & waterproofing protection
- Suitable for metal & concrete substrates
- Good resistance to seawater immersion

PAINT REMOVERS

- Heavy-duty paint remover
- Removes most types of coatings
- Ease of application
- Recommended for use on metal substrates
- Suitable for industrial & marine uses

ALKYD & ETCHING PRIMERS

- Fast drying time
- Ease of application
- Good adhesion on most metal substrates
- Smooth matt finish

THINNERS & SOLVENTS

- Specially formulated solvent blend recommended for thinning of paints, lacquers & cleaning of painting tools
- Suitable for cleaning of substrates prior to painting
- Imparts fast drying properties
- Suitable for alkyd enamel paints & industrial lacquers types

POLYURETHANE & EPOXY PAINTS

- Excellent film hardness
- Fast drying time
- Good resistance to chemical splashes
- Good scratch resistance

AVAILABLE SHADES

The colours on this card are as close to actual paint colours as modern printing techniques will allow.

Signature Series

* Also available in 9102 white and customized color.

					
0449 Rose	4046 Pearl White	0951 Sky Blue	9050 Mint Green	6071 Absinthe	9093 Ash Grey
